

Dear Parents

Information regarding all sporting fixtures is available via our third-party sports software on the Bishops Prep website. This software is easily accessible on smartphones and mobile devices and will inform you of sport fixture details, team sheets and results.

Please follow these steps to access the software on mobile phones, tablets, laptops, and PCs:

- Open your browser of choice
- Navigate to www.bishopssport.org
- Select the Sports & Teams menu tab
- Add to your home screen or bookmark the page and call it Bishops Sport

Now, at the click of a button, you can access fixture details, maps, team sheets and more.

How to Use the Software

- **Select the year and sporting code** from the drop-down menus at the top of the Sports & Teams screen e.g. 2019 Cricket

- Tap or click on the **Fixtures & Results** button for the relevant team e.g., u13A

- Tap or click on the **Details** button to view the details for the fixture

- Tap or click on the **Team Sheet** icon to view the selected team members

The screenshot shows a sports website interface. At the top, there are tabs for 'All Fixtures (6)', 'Regular (2)', and 'Competition (4)'. Below this is a 'Playing Summary' section with a table showing statistics: Played (0), Won (0), Drawn (0), Tied (0), Lost (0), and Abandoned (0). Below that is a 'Fixtures & Results' section with a table. The first row shows a match at 11:00 on Thursday, 19 Sep 2019, at Home (Cricket Field, Oaks) against Selborne Primary. The result is 'tbc' and the type is 'Friendly'. There is a 'Details' button and a user profile icon with a notification badge.

- Please note: Team sheets are **password protected** - the password is **Bish@ps**

The screenshot shows a team sheet access page. On the left, under 'Fixture Details', it lists: Team: **U13A**, Venue: **Home | Cricket Field (Oaks)**, Date: **Thu 19 Sep 2019**, Coach: **Murray Anderson**, and Start Time: **11:00**. On the right, under 'Selected U13A', there is a blue person icon and a text box asking for a password to view the team sheet. The password field contains '.....' and a 'View' button. Below this, it states: 'SOCS sport remembers the Team Sheet password until you close your browser.' and provides contact information: 'For password related enquiries please contact: Email: lrothenburg@bishops.org.za Telephone: **0216591000**'.

Information regarding your son(s) co-curricular activities is also available on MyBishopsLife under the Co-Curricular menu or via the Quick Links on the home page.

We hope you will enjoy this modern and effective communication system and we encourage you to use this platform as your first port of call for information regarding your son(s) sporting fixtures.

Kind regards

Chris Groom
Deputy Headmaster
