

OUTREACH 2016

Social responsibility and outreach to less fortunate communities remain an integral part of life at Bishops Prep.

Below is a summary of some of our main projects for the coming year.

St Paul's Library

Our first priority is the renovation of the St Paul's library. We plan to help St Paul's equip their library with furniture (shelves, carpets, a desk, etc), software and books for use by their teachers and Grade 0 to 7 pupils. To this end, our first term civvies day will be to raise money for the above.

Other Civvies Days

Term 2 – Clothing collection (The Haven and others)

Term 3 – Dog food collection (Lucky Lucy Foundation and others)

Term 4 – R10 to help with St Paul's Christmas presents. Traditionally we put together goody bags/boxes for over seven hundred pupils.

Other Collections

Easter Eggs – for St Paul's, Dalukhanyo Preschool in Langa and other schools and organisations.

Toys – carol service (for St Paul's, God's Little Lighthouse, Olivia Road Children's Home and others).

We will also do a collection of books for the St Paul's library. Watch this space for more information.

Here are some **2015 Outreach Highlights:**

Food sent to Lucky Lucy Foundation TEARS, DARG, Prince Albert Dieresorg and others.

Over 200 blankets knitted and donated to Red Cross, NOAH (Neighbourhood Old Age Homes), Lavender Hills OA Home and others.

Our boys decorated and filled 900 goody bags for the pupils of St Paul's and Dalukhanyo Preschool in Langa.

Clothes were distributed between a school in the Northern Cape, The Haven, Salesians, the residents of Sir Lowry's Pass Village and others.
