TERM 3 - 2023

VUSA 24 Hour Cycle Challenge

As our last big fundraiser for VUSA, the PA put together a team to cycle in the VUSA 24 Hour Cycle Challenge on 2nd and 3rd September.

It was a ladies-only team and representing the PA were our chair – Nida Hendrickse, head of Pre-Prep – Nivy Singh, secretary – Karine Young and head of outreach – Fika Madubela.

Many of our team are not cyclists at all and haven't been on a bicycle since childhood – but everyone put in shifts to get us through the night. There was an extraordinary amount of camaraderie and good fun, in spite of the freezing, muddy conditions. A silent disco got the hardcore cyclists in our team through the wee hours and into the next day.

Of the 43 teams involved in the challenge, we were enormously proud of the fact that our team alone raised R112,938 – and that the entire event raised an incredible R1 million!!! Testament to the fact that a few people can create magic when we work together for a good cause.

This is the last newsletter from your outgoing PA...

We thank you for all your support and engagement over the past year. The PA really is YOUR representation with regards to all things school-related. It is a wonderful facility to utilise if there is anything at school you think could be improved upon, or any feedback that you wish to give the school. We'd like to encourage you to fully engage with the wonderful new PA that is taking over and we wish them everything of the best.
