

ECD VOLUNTEER PROGRAMME

JOIN US FOR COFFEE AT THE MITRE ON
14 MARCH 2025 AT 07:30 TO LEARN MORE!

If you've ever thought about giving back but weren't sure how, this is your chance! We're inviting anyone interested in signing up as an ECD Angel to a coffee morning at The Mitre tomorrow from 7:30/8:00 AM.

WHO ARE THE ECD ANGELS?

Fondly known as the ECD Angels, the volunteers—mostly mothers from Bishops and Wetpups—dedicate their time each Tuesday to bringing joy and learning to the children in Langa. What began as a small group has grown to over 30 active members. Volunteers meet at Bishops Diocesan College before carpooling to Langa, with a security team ensuring their safe arrival at the crèche.

WHO CAN VOLUNTEER?

No experience is needed, just a compassionate heart and a willingness to help. Volunteers are asked to commit to at least one or two Tuesdays per term.

WHAT IS REQUIRED

Each week, a small group of 6-8 volunteers meets at Bishops before heading to Likhwezi Educare in Langa, where they spend an hour immersed in the joy of childhood—helping little hands with crafts, puzzles, and playdough. It's simple, but the impact is profound. These little moments of creativity and connection build confidence, nurture early learning, and bring warmth to children who cherish the extra attention. Beyond making a difference in a child's life, this is also a beautiful way to meet like-minded parents and be part of a truly meaningful initiative. Whether you're a seasoned volunteer or just curious, we'd love to welcome you! (Times: 10.15AM - 11.40AM)
